

# WWMG GI Procedure Appointment & Instructions

## SATELLITE LOCATIONS

You are scheduled for the following procedure(s):

EGD      Colonoscopy      (FOS) Sigmoidoscopy      Upper EUS      Lower EUS      ERCP

Your Appointment Date: \_\_\_\_\_

Check-In Time : \_\_\_\_\_

Check-In location/facility: ***Do not go to the main office in Everett for any of the above procedures!***

- **Everett (North)**: Providence Regional Medical Center Everett, 1321 Colby Ave, Everett, WA 98201
- **Anacortes**: Island Hospital, 1213 24th St, Suite 700, Anacortes, WA 98221

Please read the entire instruction packet **NOW**, as your preparation checklist starts 5 days ahead of your procedure day.

1. Review your 5-day preparation instructions attached to this cover sheet.
2. **Move-up Policy**: Day before/on the day of your procedure there is a chance that your appointment may be moved to an earlier time. Please make sure your driver is available for these possible changes.
3. **Driver**: Due to the IV sedation, you are required to have a driver or adult escort (except for unsedated sigmoidoscopy). If you do not have an adult escort/driver, your procedure will be canceled. Plan 3-4 hours at all satellite locations listed above.
4. Please leave your pets at home (exception: service dog).

Contact: (425) 259-3122 (24 hours) for any questions regarding appointment changes, medications, or preparation.
